OLD BUSINESS

Jefferson County Public Schools Meeting — Mrs. Chesser reported that she and Mrs. Arnold met with a few residents regarding concerns about the low performance ratings of the Jefferson County Public Schools in the cluster that serves Watterson Park students. One of the residents had printed a map of the elementary clusters and marked the rating that each elementary school had earned; the schools in Watterson Park's cluster were among the lowest performing schools in the entire school district. A meeting has been scheduled with Carol Haddad and other JCPS personnel along with Jim King on June 19 in the Lam Building to discuss our concerns as well as any possible solutions or alternatives.

Property Values — Mrs. Chesser is compiling a list of residential properties in Watterson Park and categorizing them into sub-groups, such as rental properties, foreclosures, homes in need of repair, properties that will probably be on the market within the next five years, etc.

Street Signs — Attorney Treitz reported that the federal regulations for traffic and control devices apply to any signs we install. Mrs. Chesser will contact Jim Mims with Metro Louisville IPO and ask for clarification of these guidelines.

Attorney Treitz left the meeting at 7:35 p.m.

NEW BUSINESS

Road Work — Mayor Liebert presented preliminary costs for road repairs and resurfacing as follows:

Robards Court.....	\$5,062.50
Eastmoor Avenue.....	\$9,750.00
Champions Trace.....	\$48,150.00
Regina Avenue repairs.....	\$14,670.00
Regina Avenue resurfacing.....	\$17,900.00
TOTAL.....	\$95,532.50

We will be bidding the job once we get the finalized drawings. The total cost might increase; however, we should still be under budget.

Neighborhood Yard Sale — Mrs. Chesser requested that we put a teaser on our website inviting residents to save items for a neighborhood yard sale that will be held sometime in the fall.

Website Banner — Mrs. Keefe will design a summer banner to replace the spring dogwood banner that is currently on the site. Mrs. Arnold suggested that she incorporate fringe trees in that design.

Indoor Soccer Facility — Mrs. Chesser reported that Louisville Soccer Alliance and Louisville Soccer Club are proposing to build an indoor soccer training facility on the property at 3001 Stober Road. They are currently in the process of raising capital to fund the project. Mrs. Chesser would like to include information regarding that facility on our website.

Complaint — Mr. Welsh will contact Metro about the uneven sidewalk at Gardiner Lane and Bishop Lane.
